

**Renewable Energy Approval
Notice of REA Application and EBR Posting
s. 15.2(1)(2) Ontario Regulation 359/09**

**NOTICE OF REA APPLICATION AND POSTING TO THE ENVIRONMENTAL
REGISTRY**

By Kingston Solar LP to Engage in a Renewable Energy Project

Project Name: Sol-Luce Kingston Solar PV Energy Project (the "Project")

Project Location: The proposed project location is generally bounded by Quabbin Road to the north Mud Lake Road/County Road 19 to the west, Highway 401 to the south and Highway 38 to the east and is located within the City of Kingston (to the east) and Loyalist Township (to the west).

Notice Dated at: the City of Kingston, this 13 day of February 2014

Kingston Solar LP (the "Proponent") is planning to engage in a renewable energy project for which a Renewable Energy Approval ("REA") is required. The proposal to engage in the Project and the Project itself are subject to the provisions of the *Environmental Protection Act of Ontario* (Act) Part V.0.1 and Ontario Regulation 359/09 (O. Reg. 35/09, the "Regulation").

Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 100 MW (AC). The project location is outlined in the map provided. The applicant has amended the project application and has prepared revised supporting documents in order to comply with the requirements of the Act and Regulation. Copies of these supporting documents have been made available for public inspection at the Project website at the following link: <http://www.samsungrenewableenergy.ca/kingston>

Environmental Bill of Rights Registry Posting:

This notice is being distributed in accordance with Subsections 15.2(1) and (1) of O. Reg. 359/09 after the application for the renewable energy approval has been submitted and assessed for completeness by the Ministry of the Environment (MOE). A proposal for a REA in respect of this renewable energy project was originally published on February 12, 2013 and reposted on February 7, 2014 due to a project amendment on the Environmental Registry (www.ebr.gov.on.ca; Registry Number: 011-8260) referred to in section 5 of the *Environmental Bill of Rights, 1993* and that comments in respect of the proposal may be submitted to the Director.

Providing Comments:

All comments received prior to the end of day on **March 9, 2014** (during the 30 day comment period) will be considered as part of the decision-making process by the MOE, if they are submitted in writing or electronically using the form provided in the Environmental Registry notice. Comments can be submitted on line at the Environmental Registry (www.ebr.gov.on.ca) or directed to:
