## by Samsung Renewable Energy Inc. to Engage in a Renewable Energy Project

**Project Name:** Grand Renewable Energy Park

**Project Location:** County of Haldimand, Ontario.

**Dated At:** The County of Haldimand this the 16th of March, 2012

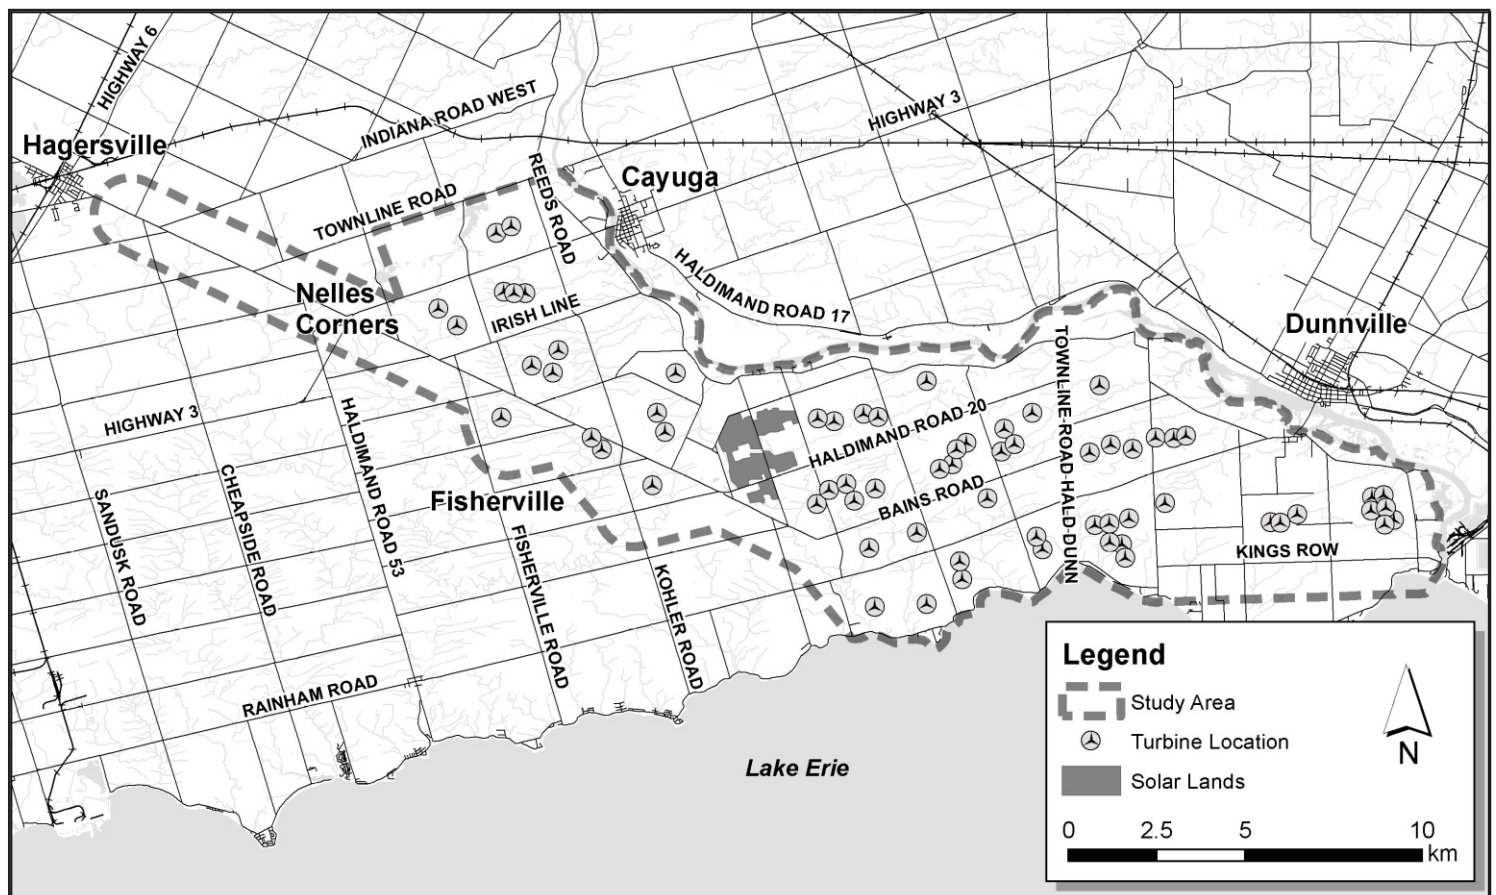

Samsung Renewable Energy Inc. is planning to engage in this renewable energy project in respect of which the issuance of a Renewable Energy Approval is required. The proposal to engage in the project and the project itself are subject to the provisions of the *Environmental Protection Act of Ontario* (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice is being distributed in accordance with section 15.1 of the Regulation following posting of the project on the Environmental Registry.

### Project Description and Documents for Public Inspection:

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 4 wind facility and a Class 3 Solar Facility. If approved, this facility would have a total maximum nameplate capacity of 148.6 MW for the wind project and 100 MW nameplate capacity for the solar project. The project location in the County of Haldimand is provided in the map below. The applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Copies of the supporting documents have been made available for public inspection at: [www.SamsungRenewableEnergy.ca](http://www.SamsungRenewableEnergy.ca)

### Environmental Bill of Rights 1993:

A proposal for a Renewable Energy Approval in respect of this renewable energy project has been posted on the Environmental Registry ([www.ebr.gov.on.ca](http://www.ebr.gov.on.ca); Registry Number: 011-5912 and 011-5914) referred to in section 5 of the Environmental Bill of Rights, 1993 and that comments in respect of the proposal may be submitted to the Director. All comments received prior to April 11, 2012 will be considered as part of the decision-making process by the Ministry of the Environment if they are submitted in writing or electronically using the form provided in the Environmental Registry notice.
